VINYL RAILING SYSTEM

## An Easy Decision - For a Lifetime of Beauty!

LONGEVITY  
VINYL RAILING SYSTEM

*Just imagine* not having to spend your time each and every year to maintain your wood deck, railing or fence.

We offer only the highest quality vinyl compounds to keep our products looking new, year after year.

Easy Assembly ensures you never have to worry about a complicated system to install.

### PRODUCT FEATURES AND BENEFITS

Low Maintenance means never having to paint or stain, strip or seal ever again.

Wide range of styles and colors to ensure you find the right look to complement the appearance of your home.

100% Vinyl combined with TiO2 UV inhibitors for maximum strength and durability.

Meets and Exceeds Building Code ICC  
Testing ESR Report #1657
